

Hello,

I hope you're doing well.

In this document, you'll find **Off-Page SEO sample links** that I personally wrote and published on different websites. I haven't shared all the live links — only **3–4 samples** are included just for demonstration purposes.

I've also added links to the **articles I wrote**, along with a few **guest posting links** as part of my sample work.

Kindly review them and share your **valuable feedback**. Even if you decide not to consider me for the Job , I'd still really appreciate your honest feedback.

I have provided SEO services for 3 to 4 projects in the past.

- scottishkiltshop.com
- fashionkilt.com
- Leatherapron.shop
- fussionhost.com
- journeymanstudyguide.com
- keywestroofing.ca
- acmeoverseas.com
- eminentinterio.com
- redsealstudyguide.ca
- xtremedigital.co.uk
- buttkarahisouthall.co.uk
- drcrazybeauty.com
- techconsortiuminc.com
- rupalbeautyzone.com
- stratwit.com
- ssg7properties.com
- wintechsports.com
- nwapparels.com

For all these projects, I wrote **on-page blogs** that are published on their respective websites — you can check them there.

In addition to that, I also created **free backlinks** for these projects. I'll share the Google Docs links and the websites where those backlinks were submitted.

Articles written on two keywords each:

- Timeless Threads: Great Kilt Magic in Scotland Fashion
- Armstrong Clan Pride: Discovering the Perfect Armstrong Kilt
- Crafted for Cuisine: The Best Leather Cooking Aprons
- Smith's Shield: Stylish & Functional Leather Blacksmith Aprons
- High-Performance Saudi VPS Hosting – Powered by FussionHost
